Memo from the President

Thanks to everyone we had a great pull last month. There were a lot of members helping on the track and the blue sled held out to the end. I appreciate all that our members do so everyone has a chance to pull and have fun. The blue sled's air compressor died and we can't find parts (too old). We ordered a new air compressor and are hoping to see it Tuesday, just in time to install it for April's Pull. We've also replaced the bearings – had to be done. I would like to thank Nancy and Les Hebert (our concession stand caterers) for sponsoring the Children's Easter Egg Hunt coming up in April. The kids should remember to bring a bag or basket. And thanks to two of our Pulling Teams, Orange Crate and Outlaw. They have created and are sponsoring the 1st Annual Ladies Skillet Throwing Competition. We will raise funds for our annual scholarship and the trophy is real cute – start training ladies! Hope to see everyone at the Pull! *Bill Mugler*

Bud Murray Scholarship Fund

Established by the Florida Antique Tractor Club and Mrs. Betty Murray

2012 Scholarship amount is \$1500

The FATC is proud to announce the 3rd Annual Bud Murray Scholarship Fund for our club members and their immediate family currently pursuing a higher education or high school seniors and juniors wishing to pursue a higher education in Agriculture, Ag Engineering, Ag Tech or Animal Husbandry. The Deadline for all entries is December 10, 2012. The Scholarship will be awarded at the 2013 Annual Awards Banquet in January. All interested applicants should request an application.

Board of Directors met on February 18, 2012 at Bill Mugler's house.

In attendance was Dara Bainter, Rod Brown, Courtney Canfield, John Edwards, Jeff Gregory, Bill Mugler, Dan Neumann, Frank Paulhamus, Mike Stubrud, Bo Waller, Rob Waller and Don Zellner.

The board set 2013 Super Pull date to be January 11 and 12, 2013.

The Board created a Scholarship Committee to manage the Bud Murray Scholarship Fund. The committee will create various fund raising activities, establish a bank account to invest and distribute funds and determine most qualified applicant for our annual award. You are welcome to join the committee, at this time Barb Waller, Sandy Beiter and Dara Bainter are members.

There are many improvements and maintenance items needed. The garden sled needs painted. The track speakers must be repaired or replaced. It may be possible to locate flood lights for a reasonable price. The announcer's booth needs a second circuit. Kirk Mugler has fixed the blue sled up with green and red lights. A concrete slab at the registration and under the scale is being negotiated. Several board members are looking into bleachers.

A couple words were added or rearranged to 11. and 12. of the General Rules. 11. \$100 CASH PROTEST FEE -- Protestor must deposit protest fee in cash. Truck or tractor must be torn down that day at the track. If the truck or tractor is found legal, the owner receives the protest fee. If the truck or tractor is found illegal or the owner refuses to prove eligibility, the protest fee is returned to the protestor and the ineligible tractor loses all points earned to date. To resume eligibility, truck or tractor must be made legal and inspected. 12. All trucks and tractors must cross over scales prior to hooking and must be at the starting gate when number is called or forfeit turn.

Board of Directors met on March 3, 2012 at the track.

In attendance was John Edwards, Jeff Gregory, Bill Mugler, Kirk Mugler, Dan Neumann, and Frank Paulhamus. The board agreed to buy a Ford 5000 for \$1500.
