In memory of Bud Murray, a great friend of and benefactor to the Florida Antique Tractor Club

PORT ORANGE, Fla. - Harry B. "Bud" Murray, 73, of East Liverpool, died Wednesday, March 3, 2010, after taking ill at his home in Port Orange, Fla.

Born in New Cumberland on Jan. 25, 1937, he was a son of the late Harry Sheilds and Caryle E. Murray. A lifetime area resident, he attended the Glenmoor United Presbyterian Church and belonged to the Crystal Chapter 18 Order of the Eastern Star. He was a member of East Liverpool Lodge 681 F&AM and had been named Mason of the Year at one time. In addition, he belonged to the East Liverpool Shrine Club, the Al Koran Shrine and was a 32nd-degree member of the Steubenville Consistory.

At the age of 16, he began his life's work in the trucking and transportation business when he sought employment at the East Liverpool Feed and Supply Co. There, he would haul coal in the winter, and in the summer, haul loads out of TK Roofing in Chester. He founded Murray Trucking at its original headquarters in Chester and later expanded the business to its present location on East Liverpool Road with other terminals located in New Martinsville, W.Va., Sheffield, Ohio, and Midland. Today, Murray Trucking encompasses other subsidiary companies including ACE Freight Lines, H&F Trucking in Newell and Murray Leasing.

The Murrays have always been active in both the American Trucking Association and the Ohio Valley Traffic Association, while supporting many local causes and charitable events. Bud also participated in area tractor pull competitions and received many awards. For many years, he served as a director on the Columbiana County Fair Board and at one time had been named the Hookstown Fair's Volunteer of the Year.

His wife survives, Betty J. Roush Murray, whom he married Nov. 16, 1963. There is a daughter, Sherry Pease, and her husband William "Jum" Pease, of East Liverpool.

In addition to his parents, he was preceded in death by a brother, Fred Murray.

Memorial contributions may be made to: Glenmoor United Presbyterian Church, 16410 state Route 267, East Liverpool.

View this obituary and send condolences online at <http://www.dawsonfuneralhome.com>.

BOD Meeting Minutes
March 27, 2010

Chris Beiter, President, called the meeting to order at 10:01AM at the Zellwood Track.

Frank Paulhamus Read the Treasurers report: Current account balance is \$9,180.39

Keith Dominy made the Motion to accept, Todd Zellner made the 2nd, all in Favor: Motion Passed

Items Discussed/Motions Passed

- Garden Sled rental to Florida Flywheelers for their March pull at the Buffalo Nickel Ranch was shortened to 1 day due to rain. We had sled operators on standby for both days, and discussed paying them \$50.00 each for their time. Rob Waller made the Motion, Keith Dominy made the 2nd, all in Favor: Motion Passed
 - Payments as follows: \$50 each to Cory McEntyre and Dustin Hommes
- Garden Sled Transport issues- While transporting the Garden sled to/from Leesburg, for the Flywheelers pull, Mike was pulled over for not having a Tag on the Trailer. The tickets issued were: no Tag (registration), no Proof of Registration, and no seatbelt. Board discussed paying just the registration tickets or paying all tickets: Keith Dominy made the Motion to “Pay it all”, All in Favor: Motion Passed.
 - Payment to Mike Stubrud for \$345.00 to cover all citations
- Food Vending for 2010 Pull Season – Board discussed Milton Neu providing the food for the pull season, or to go with non-member vending. Board decided at this point to let Milton go ahead and see how it works out. Keith Dominy provided menus from two Food Vendors in the event we decide to go that route in the future. Todd Zellner made the Motion, Courtney Canfield made the 2nd: Motion Passed
- Sled Committee Update- Board has decided that the Sled Committee needs to be reinstated and members updated. The sled committee is a group of individuals willing to do minor repairs, updates, and maintenance to the sleds. This committee is also responsible for sled usage; approval or denial of sled usage for things such as – new classes, offsite usage by our club or rental to others- as they see any of these to be detrimental to the life of our equipment. Todd Zellner made a Motion, Rob Waller made the 2nd, All In Favor; Motion Passed
 - Committee Member Volunteers:
 - Todd Zellner
 - Robert Waller
 - Bo Waller
 - John Edwards
 - Jeff Gregory
 - Dave Garrant
 - Courtney Canfield
 - Larry Burkhardt

BOD Meeting Minutes
March 27, 2010
Continued

- Scholarship Fund – With the passing of our dear Bud Murray, the Board discussed setting aside/raising funds to be put into a Scholarship in Bud Murrays' name. With all that the Murray Family has done for our club over the years, it seemed a simple discussion. The Board decided to start with \$500, Rob Waller made the Motion to accept, Courtney Canfield made the 2nd, All in Favor: Motion Passed.

Items Discussed- to be revisited

- Board members are currently reviewing all rules for necessary updates and changes. The objective is to get all rules for all clubs within the State of Florida in sync so that we as pullers can pull at other clubs without having to make changes to our tractors/trucks in order to pull.
- PPL Pull – We have a tentative date of 10/02/10 to host the Southern Pullers points pull. Board is discussing whether or not this is a viable endeavor for the club for the 2010 season, as we would need to actively persue sponsorship money in an economy is not favorable for this type of funding. The potential benefits to the club are:
 - Additional income
 - Additional exposure of the Club to more pullers and spectators
 - The Potential to make our track an Annual Pull for the PPL Schedule
 - Sandy will get hard figures from Southern Pullers on the cost of the event, and the Board will revisit in April.

Seeing no other business Motion was made by Rob Waller to Adjourn, Todd Zellner made the 2nd, meeting adjourned 10:54AM

Minutes recorded by:
Sandra Beiter
