Frank Paulhamus was not in attendance, therefore no Treasurers report.

Items Discussed

- Rule Changes: V-8:
 - Eliminate the RPM rule – Will Read “Safe RPM”
 - Eliminate the Hand cut tires only – Will read Hand or Machine Cut
 - No engine driven fans allowed over 3,000 RPMS
 - Factory Heads only
 - Eliminate “no electric boxes”
- Rule Changes: Mini-rods:
 - Harmonic Balancer needs a guard
 - Full fire suit required to include; Gloves, boots, helmet, and neckbrace.
- Rule Changes: All Modified Classes:
 - Driver must be 16 years of age, with a valid Driver’s License
 - If driver is 16 without a valid Driver’s License – they will be test inspected.

Rule Changes will be discussed at the General Meeting in July and effective for our September pull*

Items Discussed- to be revisited

- PPL Pull – We have a tentative date of 10/02/10 to host the Southern Pullers points pull. Board is discussing whether or not this is a viable endeavor for the club for the 2010 season, as we would need to actively pursue sponsorship money in an economy is not favorable for this type of funding. The potential benefits to the club are:
 - Additional income (We keep the gate and all hook fees)
 - Additional exposure of the Club to more pullers and spectators
 - The Potential to make our track an Annual Pull for the PPL Schedule
- PPL total cost to host the pull would be \$13,500- if each member of the club could get one \$100.00 sponsor we would have enough to cover the pull.

Seeing no other business Motion was made by Todd Zellner to Adjourn, Larry Burkhardt made the 2nd, meeting adjourned 11:00AM
